

**REMARKS**

Claims 14 and 23 are rejected under 35 U.S.C. 102(e) as being anticipated by Lopponen et al. (US2002/0150091). Claims 14 and 23 have been cancelled, thus mooting the rejection of those claims.

Claim 26 is rejected under 35 U.S.C. 103(a) as being unpatentable over Lopponen et al. (US2002/0150091). Claim 26 has been cancelled, thus mooting the rejection of that claim.

Claims 21-22 and 24-25 are objected to as being dependent upon a rejected base claim but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claims 21-22 have been rewritten in independent form to include the limitations base claim 14. Claims 24-25 have been rewritten in independent form to include the limitations of base claim 23.

In view of the foregoing remarks, Applicants submit that claims 21, 22, 24 and 25 are in condition for allowance. Applicants request the reconsideration and reexamination of this application and the timely allowance of the pending claims. Please charge any fees associated herewith, including extension of time fees, to 50-2117.

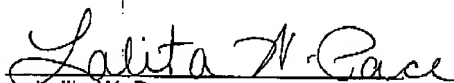

Respectfully submitted,  
Vishwanathan, Kumar, et al.
